OFFICE OF PETITIONS

In re Application of :
Dennis E. Parham :
Application No.: 10/705,666 : **ON PETITION**
Filing Date: November 10, 2003 :
Attorney Docket No. 10/705,666 :

This is a decision on the "Petition for Reconsideration" filed January 10, 2008, which will be treated as a renewed petition under 37 CFR 1.183 to waive the requirements of 37 CFR 1.175.

The petition is **dismissed**.

Petitioner requests that the supplemental reissue declaration be accepted without the signature of inventor Dennis E. Parham, as inventor Parham is refusing to sign the declaration. It is noted, that in this case, 37 CFR 1.175 requires the filing of a supplemental reissue declaration signed by all named inventors, yet petitioner has demonstrated that inventor Parham refuses to sign the supplemental reissue declaration. In such a case, Section 1414.01 of the *Manual of Patent Examining Procedure* (MPEP) provides that:

[if] a joint inventor refuses or cannot be found or reached to sign a supplemental oath/declaration, a supplemental oath/declaration listing all the inventors, and signed by all the available inventors may be filed provided it is accompanied by a petition under 37 CFR 1.183 along with the petition fee, requesting waiver of the signature requirement of the non-signing inventor.

Accordingly, the instant petition will be treated as petition under 37 CFR 1.183 to waive the requirement of 37 CFR 1.175 so as to accept the supplemental reissue declaration filed April 23, 2007, without the signature of inventor Parham. The petition must be dismissed, however, a certificate under 37 CFR 3.73(b) did not accompany the petition. An authorized representative of the assignee for the application must sign the declaration under 37 CFR 1.131 because none of joint inventors is available to sign the declaration under 37 CFR 1.131. The assignee must, however, establish its authority to act in the application by filing a certificate under 37 CFR 3.73(b). The renewed petition must be accompanied by an executed certificate under 37 CFR 3.73(b) (copy enclosed).

The undersigned overlooked the absence of the certificate under 37 CFR 3.73(b) while reviewing the first petition under 37 CFR 1.183 and apologizes for any resulting inconvenience to petitioner.

The petition fee of \$400.00 is noted and made of record.

Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (i.e., GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
